## ARWED---The German Coach Horse!!

THIS HORSE, GREAT IN BREEDING, SIZE, FORM AND STRENGTH, IS the one so well adapted to meet the needs of this section. Size, form and action are the points of usefulness that every breeder should consider and in ARWED you find every desirable make-up, including style and speed. The day for mere appearance is fast passing and the worth of a horse, like that of man, will be measured by what he will do. ARWED'S first colts are now two years old, and out of all, there is not an underling in his get. They have the finish of the fancy saddle bred, the form of a show-horse and the power of the draft. It costs no more to raise a good horse—a horse of good size—than it does to produce the underlings. Ready for market, ready for use in every emergency are the German Coach horses.

PEDIGREE: Arwed, No. 2783, sired by Achim, No. 1059, he by Achilles, No. 1313; dam, Ardo No. 1000, by Agammennon, No. 560. Arwed is a beautiful brown horse, 16 hands high and weighs 1250 pounds.
